

# SAVANNA FIELD TOURNAMENT

## 2018 Pre-Order MEALS FORM

Don't you hate it when you arrive at a field show, you wait in line for food, and you see that your favorite menu items are sold out? We hate it too! The *Savanna Field Tournament* has a "don't run out of food" policy, and we strive to keep ALL food items in stock for the whole day - available from the first 1A group, to the very last 6A performers and spectators.

As Boosters, we also understand what it takes to feed a bunch of teenagers on the road. We would like to make your show day a little easier by offering the option to pre-order meals for your group.

Here's how it works:

- Send in the form below with the number of the meals you'd like to pre-order
- We will have tickets for your items upon arrival in your Director's packet
- You distribute the tickets and pay with a booster check the day of
- Let us know an approximate arrival time, and we will be prepared to move your group through a special line

It's that easy! No packing extra stuff or cleaning up condiments and trash. You can concentrate on the important stuff - your show and performance. Send an email today to let us know your interest, and we will answer any questions.

### BBQ ROW ITEMS
