- Band directors may choose to compete in a larger band classification if they wish. Once this decision is made the group will remain in that division for the entire season.
- A band **may not** move down a division.
- **Bands must remain in the designated division determined by the formula above for the entire season.** The placement within a division will be determined by the group's enrollment in their *first* SCSBOA adjudicated event of that season.
- If the number of musicians in a band exceeds the classification numbers declared for that band, all units in the band will be assessed a five (5.0) point penalty.
- In situations where inclement weather or poor field conditions prohibits field performance, competitions may take place out of doors or inside gymnasiums at the discretion of the tournament host and head judge. The entire judging panel will be used to adjudicate the music, general effect, auxiliary, and percussion captions. Scores from these events will **not** count as qualifying scores for the SCSBOA Field Championships.
- Host bands may perform in their own tournament to secure a qualifying score for the SCSBOA Field Championships and are to be scheduled within their appropriate class. Scores earned will appear on the official recaps. Trophies need not be awarded.
- Bands must perform at three SCSBOA-adjudicated field tournaments in order to qualify for championships.
- Please enclose a check/money order for the **\$325** entry fee with your application. Your request/reservation may not be accepted without payment.
- Make check payable to **Savanna Band & Colorguard** and send with your application to **Savanna Band Boosters**
 301 N. Gilbert St.
 Anaheim, CA 92801
- **The Field Tournament Entry & Classification Form must be sent to the EVENT HOST and NOT to the SCSBOA Office.**
